The Poquoson Seafood Festival began as a small celebration of the Poquoson watermen and the scenic waterfront community. Today, the festival is a large annual event at the Poquoson Municipal park. The family friendly festival draws nearly 50,000 visitors over the 3 day event and features local and regional entertainment and a variety of delicious foods.

The *Poquoson Art League* proudly hosts the arts and crafts show with over 160 vendors with a variety of unique talents and creations.. The show is held through a lighted, wooded walking trail meandering through the festival grounds. A vendor hospitality tent is available with coffee and danishes for you to enjoy. PAL gives out multiple awards in 3 categories with cash prizes totaling \$3500. Please join us in celebrating the working watermen of Hampton roads.
